THE SPINNING GASING

It's more than a piece of wood with a metal shaft. The gasing is alive when spinning, unfolding a picture of infinite balance imbued with exquisite equilibrium.

It is a symbol of dynamic stability and energy. Just like planet Earth rotating on its axis. A symbol of life itself. Hence the synthesis of the spinning gasing is the symbol of SIRIM's Continuous Growth and Vitality in Quality.

The colours of the icon taken from the Jalur Gemilang represents the Malaysian identity.

Ia bukan kayu dan logam semata-mata. Gasing yang berputar ligat, menggambarkan keseimbangan pada paksinya. Ia adalah simbol kestabilan dan tenaga yang dinamik. Sama seperti planet bumi berputar pada paksinya. Satu simbol kehidupan.

Justeru, sintesis putaran gasing adalah simbol Pertumbuhan Berterusan dan Kekuatan dalam Kualiti.

Warna-warna ikon diambil daripada Jalur Gemilang yang melambangkan identiti Malaysia.

BACKGROUND

Majlis SIRIM Industri is an annual event organised by SIRIM which aims to:

- Give recognition and publicity to organisations/companies that have successfully obtained certification under SIRIM's certification schemes.
- Create public and consumer awareness of the latest developments in Quality Management, Environment, Occupational Health and Safety and Eco-labelling systems; and Product Certification.
- Strengthen relationships and business networks between the SIRIM Group, local and international industry and government agencies.
